Current Double Majors	Change to a Single Major in

Please be Aware That

- If you are attempting to declare a major that is not part of your current double major program, you must complete a new Declaration of Major petition and if you have completed 90 units or more, you must submit a planned program. A College Adviser will review your program and notify you regarding your request.
- As a student with a single major you must abide by the 130 unit ceiling rule.
- Your request will be automatically approved and the College will **not** notify you unless there is a question regarding this petition.

I request a change from the double major listed above to the single major as noted. I am aware of the unit limitations for a single major.
