The College of Letters and Science has authorized continued enrollment on probationary status for the _____ term, as allowed by Academic Senate Regulation 900, subject to fulfillment of the conditions stated below. Students who have been "continued on probation" must complete a Scholarship Agreement and have it approved by a College Adviser in an advising appointment as soon as their course schedule for the semester is finalized. They must adhere to the agreement's terms and contitions. **The deadline to have a Scholarship Agreement approved by a College Adviser is the end of the third week of instruction.**

I understand that any changes to this study list must be approved by a College Adviser and that the deadline for adding and dropping courses is _____ (for early drop deadline courses) and _____ (for all other courses). I understand that if I do not complete the semester with the minimum grades needed to clear probation, I will be subject to dismissal. I understand that final grades of Incomplete do *not* meet the conditions of this agreement. I must come to an appointment with a College Adviser immediately if illness or other circumstances affect my ability to complete my courses in progress. If I must discontinue enrollment, I will meet with a College Adviser to officially *withdraw* from this semester.

**I understand that if I withdraw from this semester there is a possibility that I will be dismissed.** If I withdraw from this semester, the College's Dismissal Review Committee (DRC) will review my file (including a personal statement regarding why I withdrew, if I choose to submit one). The DRC will decide whether to permit me to continue on probation for another semester or to dismiss me.

If I withdraw before the "semester-out" deadline, and if the DRC permits me to continue on probation for another semester, I will be able to return the following semester. If I withdraw after the "semester-out" deadline, and if the DRC decides to give me another semester to clear probation, I will need to take a semester off before I am permitted to readmit to UC Berkeley.

The semester-out rule deadline for the _____ term is _____. The last day to withdraw with the semester-out rule in effect is: _____. **I understand that if I do not meet the conditions of this agreement, I will be subject to dismissal.**
